## Seasons In The Sun

Goodbye to you, my trusted friend.  
We've known each other since we were nine or ten.

Together we've climbed hills and trees.  
Learned of love and abc's.  
Skinned our hearts and skinned our knees.

Goodbye my friend it's hard to die  
When all the birds are singing in the sky.  
Now that the spring is in the air,  
Pretty girls are everywhere,  
Think of me and I'll be there.

We had joy, we had fun,  
We had seasons in the sun,  
But the hills that we climbed  
Were just seasons out of time.

Goodbye Papa, please pray for me.  
I was the black sheep of the family.  
You tried to teach me right from wrong,  
Too much wine and too much song,  
Wonder how I got along.

Goodbye Papa it's hard to die  
When all the birds are singing in the sky.  
Now that the spring is in the air,  
Little children everywhere,  
When you see them, I'll be there.

We had joy, we had fun,  
We had seasons in the sun,  
But the wine and the song,  
Like the seasons have all gone.

Goodbye Michele, my little one.  
You gave me love and helped me find the sun,  
And every time that I was down  
You would always come around  
And get my feet back on the ground.

Goodbye Michele it's hard to die  
When all the birds are singing in the sky.  
Now that spring is in the air,  
Look for flowers everywhere,  
I wish that we could both be there.

We had joy, we had fun.  
We had seasons in the sun,  
But the stars we could reach  
Were just starfish on the beach

All our lives we had fun,  
We had seasons in the sun  
But the hills that we climbed  
Were just seasons out of time.

# SOPHOMORES

The sophomore class officers are (L to R) Tina Gravel, secretary; Laurie Moirano, president; Ann Barry, treasurer. Donna Lapton, vice-president, was absent when picture was taken.

Each year a new sophomore class is introduced to Agawam High School. The Class of '78 quickly became accustomed to its new surroundings, memorizing the new faces and corridors, testing the lunches and trying the patience of many an upperclassman and teacher. In adjusting to the AHS routine, the sophomores proceeded to elect officers, assigning a year's work and responsibility to Laurie Moirano, president; Donna Lapton, vice-president; Tina Gravel, secretary and Ann Barry, treasurer.

The sophomore class initiated its three year fund-raising drive by collecting dues, and later padded its bankroll by assisting the juniors with the Monte Carlo Night. Heeding the suggestions of Miss Mary Wolochowicz, advisor, and her assistant, Mr. Richard Joseph, the Class of '78 wisely attempted to defend itself against the onslaught of expenses that will come forth during the next two years. Despite the bills and problems these years may bring, the sophomores may look ahead to the rewards of being upperclassmen and the enthusiasm and endless activities that this status entails.

# JUNIORS

As the year opened, the Class of '77 faced the monetary pressures which annually threaten the financial success of the Juniors. Following tradition, the junior class assumed the responsibility of organizing and funding the Junior-Senior Prom in May, in addition to preparing for their long-awaited senior year.

Under the leadership of Cindy Fedora, president; Phil Vecchiarelli, vice-president; Donna Cebrelli, secretary and Sue Sardella, treasurer, the junior class resisted financial set-backs by collecting dues, holding the school's first ping-pong tournament and conducting the second annual Monte Carlo Night. The efforts of Mr. Wayne Morse, advisor and his assistant, Mr. Joseph Fitzgerald helped the juniors to conclude this busy year satisfactorily.

The Class of '77 made an impressive show of vitality and spirit this year, proving themselves to be strong vocal competition for the seniors at the West Side Rally. If this unity and enthusiasm persists, the Class of '77 may anticipate a senior year not easily to be forgotten.

Junior class officers are (L to R) Donna Cebrelli, secretary; Phil Vecchiarelli, vice-president; Cindy Fedora, president; Sue Sardella, treasurer.

# CHEERLEADERS

"Don't forget the lollipops!" "Whose game is it?" "What time is the bus leaving?" The Agawam Varsity Cheerleaders are always on the go, practicing, decorating, and cheering for the school's athletic activities. The senior cheerleaders, Cheryl St. Germain, Janice Reutt, and Cindy Ainsworth, along with juniors Cheryl Davis, Cyndee Atwater, Kim Monachesi, Laurie Stone, April Hadden, Cindy Fedora and Robin Morassi have energetically boosted team motivation and school spirit both during rallies and at the games.

The Varsity Cheerleaders, for the first time, competed with area schools last year. With impressive cheers they raised great expectations for success in this year's contest. Their number deserves to be "one!"

Let's go!!! . . . Let's go!!!

Oh, well . . . couldn't quite fit everyone in.

# FOOTBALL

The 1975 Brownie Football Team showed a promising recovery from a dismal 1974 season. Maturity, experience, and drive were all blended together in providing an exciting squad.

Under second year head coach Roger Leclerc, the Brownies scored impressive victories over Wahconah and Tech, also a justified upset over Greenfield before pulling it all together against West Side.

The entire Agawam school body, wanting desperately to win back the rivalry trophy from West Side, stood behind the team with exuberant spirit and pride and got what they wanted. Exce-

llent teamwork and individual performances resulted in a stimulating 34-14 victory over West Side and provided the definite highpoint of the season. A new history of Agawam's dominance has just begun.

Solid performances by captains Karl Ekstedt, Phil Jensen, and Skip Stuart helped to provide the nucleus for the much improved team. Other key senior lettermen included Mike Acquaro, Paul Byrne, Rich Gallerani, Steve Geiger, Chuck Girard, Rich Gloster, Tom Guarnieri, Bill Marganti, Mark Poggi, Kevin Quick, Dave Stratos, Dave Trehey, and Brian Troie.

# GIRLS' TENNIS

The 1975 Girls' Tennis Team, headed by Coach Holly Ryall, exhibited another winning season with a 10-4 record. The climax of the season occurred when the doubles team of Kathy Ayre and Patty Liddell regained their Western Mass. title that they held two years earlier. The 1976 season will be one of rebuilding with the return of lone senior, Patty Liddell.

Janet, Karen and Val discuss the team's prospects.

# BOYS' TENNIS

The 1975 Boys' Tennis Team experienced a successful season under the fine coaching of Mr. Wayne Morse. Though they concluded the season with nine wins and eight losses, the net men played better than their record shows. Depth and consistency were the main elements backing the team's performance. There is much promise for the '76 team, with returning hopefuls Steve Houlihan, Tony Karam, Pete McLaughlin, and Chris Meister.

Maybe I should have hit it on the first bounce?

Pete shows his smooth backhand.

# CROSS COUNTRY

Strong in ability, but lacking in numbers, the '75 Cross Country Team crossed the finish line with a 3-7 season. Coach Joe Haggerty witnessed the development of our fine senior runners, Tom Colson, Kevin Coughlin, Tony Liberatore, and Phil Losito. With the return of Mike Gross, John Tinnemeyer and Jim Gallerani, and new underclassmen hopefuls, the Cross Country Team should fare pretty well in '76.

Agawam's runners are off to a winning start.

Slow down Kevin, you're ten miles over the speed limit!!

Coach Haggerty, Lori Lindsay, and Linda Viens review the score sheet.

# SOCCER

The much improved AHS Soccer Team experienced a 2-13-1 record for the 1975 season. Under the first year coaching of Jack Fahey and Mike Monterro, the varsity squad played with consistency and was a tough competitor for their opponents. The first win was over Greenfield with the lone score coming from junior Gary Nolin. The second triumph was an impressive come-from-behind rally in the final game against Greenfield. Goals from Steve Houlihan and Dennis Conway helped the team to round up the season on the winning side. Senior booters included captain Wayne Mallory, Dennis Conway, Paul Dahlke, Vinnie Giannetti, Steve Houlihan, Dale McCarl, Ricky Niles, and Jeff Toth.

Up, up and away with Chris Mesiter.

"Watch where you're stepping!"

Steve Houlihan exhibits exquisite form.

Gary Nolin makes a fine boot for Agawam.

Watch out for the guy behind you.

Norm Duquette runs head on into enemy territory.

"I'm gonna knock those spots right off!"

Nothing can stop Chris Meister now!!!

# GOLF

"Practice at St. Anne's." "Tee off?" "Fore!"  
 "Putt, slice and drive." "Watch out for the trap!"  
 "Hole in one?" "The 19th hole!"

The Golf Team had an encouraging 1975 season under Head Coach Roger Leclerc and assisting Coach Howard Murphy, Jr. The outcome of this spring's matches will rely on the capabilities of upcoming Junior Varsity players, whose talents make Western Mass. just a putt away.

"Did Jack Nicklaus start in shoes like that?"

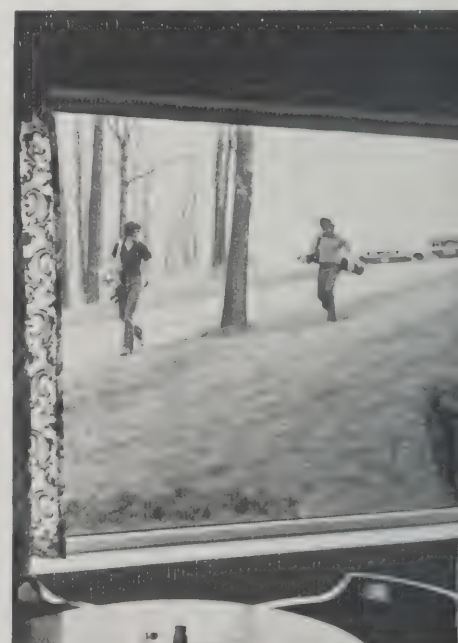

"Where's the hole??"

Mark Consolini checks the quality of his game.

# GIRLS' SOFTBALL

The 1975 Girls' Softball Team had the potential to be a top contender in the Valley Wheel, even though their 8-8 record might not indicate it. To the delight of Coach Carol Capitani, the highlight of the season occurred when the Agawam girls handed Ludlow their only loss in league action.

The 1976 season will be sparked with experience and high hopes when seniors Anita Fontaine, Celeste Gallucci, Cheryl Gardner, Martha May, Janice Reutt, and Cheryl St. Germain return in the spring.

Cheryl beats the throw.

Marie Dufault.

Peg LeClair lets a fastball loose.

Out at first base!

Janice demonstrates perfect batting form.

# TRACK

The Agawam High Track Team under Coaches Joe Modzelewski and Gus Young finished the 1975 season with a 5-5 record. There were no limits to the squad as Cindy Berger and Karen Thomas, the only female runners, joined in the contests for the love of the sport. School records for the high jump and triple were broken by Phil Losito, while a new pole vault record was set by Matt Mason. The strong underclassmen should provide an exceptional team this year. Senior trackmen will include Mike Acquaro, Paul Byrne, Kevin Coughlin, Karl Ekstedt, Rich Gloster, Rich Gallerani, Dennis Lang, Phil Jensen, Phil Losito, Dale McCarl, and Bill Marganti, Mark Poggi, Kevin Quick, Anthony Liberatore, Tom Guanieri.

"And away we go!"

Matt Mason hurdles to the finish line.

Mike Acquaro gets plenty of yardage in the long jump.

1975 Track Team — **FIRST ROW** (L TO R): Coach Gus Young, Mike Acquaro, Bob Doucette, Gary Buynicki, Brian Blackak, Rich Gallerani, Bill Marganti, Jim Gallerani, Tim Bassett, Mark Desmond, Tom Bassett, Coach Joseph Modzelewski. **SECOND ROW** (L TO R): Stat. A day without oranges . . .

Phil Losito speeds his way to another victory.

Happy landing!

Karen Thomas and Cindy Berger, Agawam's first girl tracksters.

If you want it done right, you have to do it yourself.

# BOYS' SWIMMING

For the 1975-1976 Boys' Swim Team, victories were extremely few and far between. The team is one of the more recent additions to Agawam High School athletics and is as yet underdeveloped. Nevertheless the flippers maintained fairly high standards of achievement. With stiff upper lips and physical exertion they engaged themselves in contests with Western Mass. teams which were more highly qualified than their own. During the season they succeeded in performing on an elevated level of competition. Senior Tom Cassidy, a foremost AHS swimmer, as well as seniors Bob Gardner and Tom Robinson provided much of the team's power and incentive. However, the bulk of the thirteen underclassmen, will return in '77 with the benefit of experience. Indeed, the setbacks which they encountered this year may have heightened their proficiency, in which case the coming season will see dramatic improvements.

Coach Smith announces the days work.

1976 Boys' Swim Team — **FIRST ROW** (L TO R): Jim Hill, Bob Doucette, Bob Johnson, Vinnie Bertrand, Mike Fallini. **SECOND ROW** (L TO R): Mark Cipriani, Bob Gardner, Tom Cassidy, Mark Marieb, Dave Misco, Coach Miner. **THIRD ROW** (L TO R): Bill Wortelboer, Steve Gaynor, Jeff Richardson, Greg Metzger, Mark Olson, Mike Gross, Coach Dave Smith.

Senior Tom Cassidy readies himself for the next relay.

# GIRLS' SWIMMING

The 1975 Girls' Swim Team coached by Barbara Wilenbrock had a brilliant season marked by five impressive victories.

The sophomores were the backbone of the team, but the experienced co-captains Cathy Andrews and Michelle Bussiere proved to be the major strength.

The first eventful meet over Chicopee sparked the confident swimmers into four other enthusiastic wins. The team has greatly improved this year and should continue to progress steadily in upcoming seasons.

Michelle Bussiere and Cathy Andrews are all smiles before the swim meet.

"But Coach, I can't do ten more laps!"

Look out below!

Agawam's off to a good start.

"It's Jaws!"

# WEIGHTLIFTING

The 1975-1976 weightlifters spent the winter months fortifying their bodies in preparation for other athletic activities. The muscle-men were able to use a newly purchased piece of equipment this season, the universal set of weights. The weightlifters should benefit from the new apparatus and each member is a potential asset to the athletic program at Agawam High School.

Seniors Mark and Dennis work on squats.

"Let's all start with one pound."

Agawam has quite a press at "Wounded Knee."

"With my build it's not that amazing!"

# GIRLS' BASKETBALL

The girl hoopsters lacked height but with their experience and ability they were able to outplay their opponents. The 1976 successful season will undoubtedly start Agawam's dominance in the league. The team will suffer a great loss when six talented seniors end their high school basketball career: Judy Bozek, Laurie Clark, Leslie Clark, Martha May, Robin Saliba, and Denise Tetreault. With competent, returning juniors Diane Mercadante, Mary McKinney and Peg LeClair, nothing but success should prevail in 1977.

Coach Carol Capitani assisted by Coach Cindy Ekstedt lead the team to numerous victories and the co-championship of the Valley Wheel; the first time in the history of Agawam High.

# BASEBALL

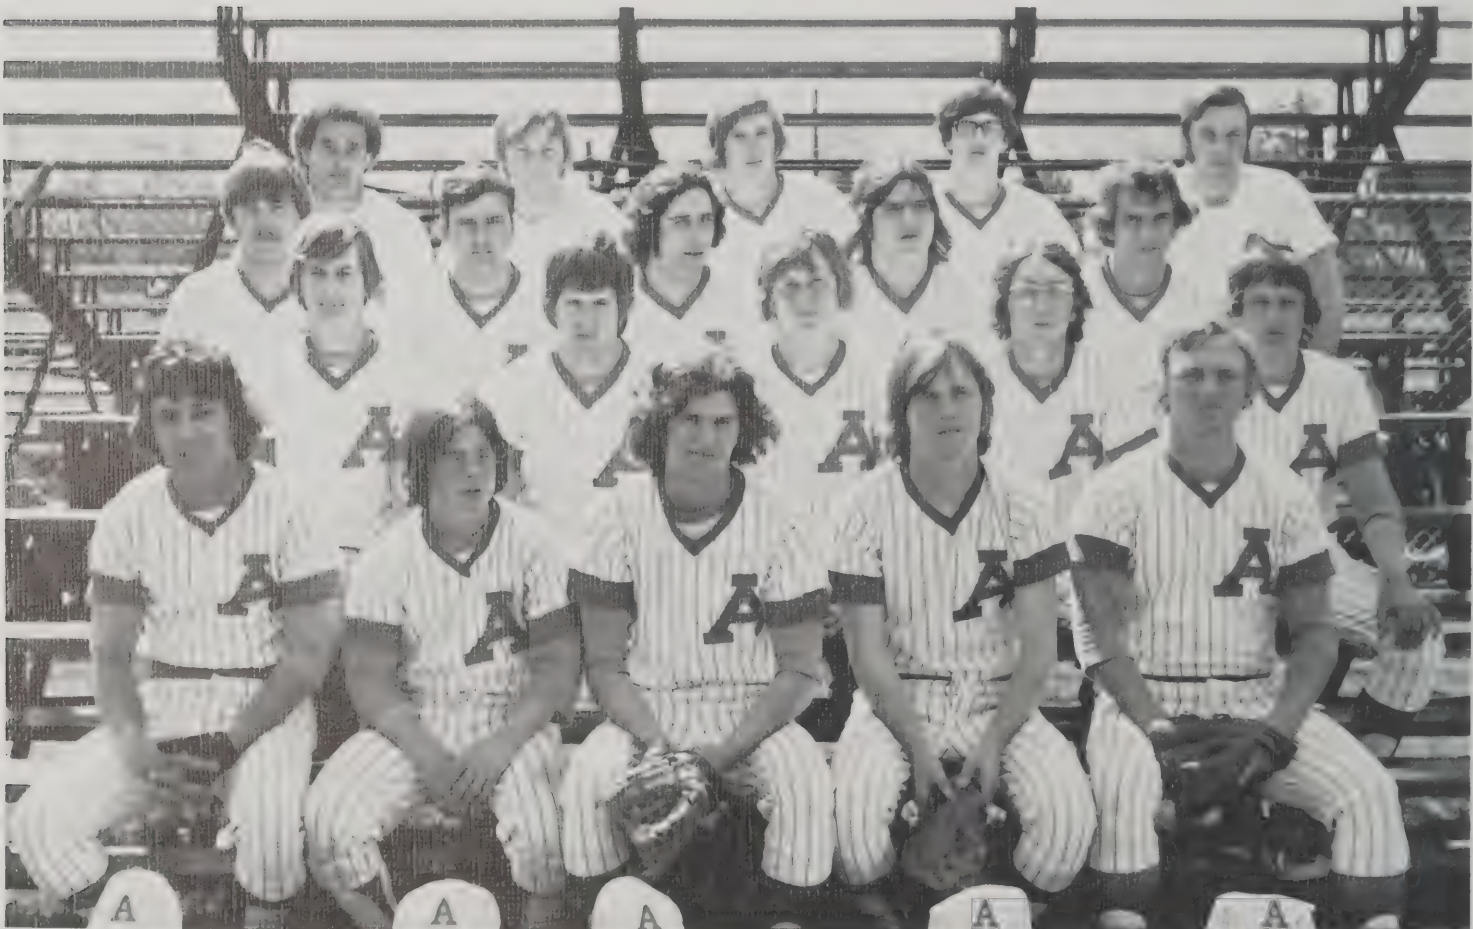

A Great Season, the Agawam Baseball Team clinched the Valley Wheel for the fourth consecutive year. Of the senior players, catcher Steve Lasky proved to be the ace of anticipation for Skip Stuart's overpowering pitching. Skip had an impressive 2.14 E.R.A. standing.

Senior outfielder Mark Drouin also excelled, boasting an impressive .273 percentage in the spring of '75. With one of the highest batting averages, Mark should play an important role at the plate in '76.

With Agawam's superior senior lineup, Coach Gerald Smith can expect another top-notch season in '76.

Tom Quinn waits on first.

1975 Baseball Team — **FIRST ROW**( TO R): Rick Mastroianni, Gary Nolin, Roland Denoncourt, Tommy Quinn, Doug Miller. **SECOND ROW**(L TO R): Steve Lasky, Skip Stuart, Danny D'Alma, John Conte, Mark Drouin. **THIRD ROW**( L TO R): Stan Choiniere, John Sapelli, John Moccia, John Fedora, Jeff Carmody, Coach Ronchi, Coach Ugolick, Greg Forsman, Marty Davilli, Coach Smith.

# BOYS' BASKETBALL

The 1975-1976 Boys' Basketball Team encountered serious difficulties early in the season and was soundly slapped by defeat, taking a poor 0-5 standing in independent play against leading Division I teams. However, once into 'Wheel' play the squad progressed without restraint and rolled to a 6-2 lead over three teams tied for second place. A big win over Minnechaug Regional was a major step in the team's march toward the championships and the wait for the second Brownie-Falcon battle was accompanied by assurance. A disappointing loss to powerhouse Putnam, the only other top contestant for the trophy, proved to be only a temporary set-back, as Putnam itself suffered a defeat and restored the Brownies to first place. Spectators and players mutually enjoyed the triumphs of the 75-76 season, setting sights on the Western Mass. play-offs, which eventually led to the co-championship in the Valley Wheel!

Propelling the hoopsters throughout this fabulous season were Coach Wayne Morse and aides Mr. Conte, Mr. Connelly, and Mr. Blodgett. Co-captains this year were seniors Mark Winne, playing his third year on the varsity team, and second year member Karl Ekstedt. The performances of these two players, as well as those of senior Phil Losito and juniors Ralph Myers, Gary Buynicki and Rich Ackerman, certainly deserve acclamation. The talents of other senior hoopsters, Mark Drouin and Jeff Toth, merit recognition for being a valuable asset to the team.

# HOCKEY

The Varsity Hockey Team, plagued by injuries and an inexperienced defensive corps, skated into a slump throughout the first part of the 1975-1976 season. With the return of Coach Ralph Merullo and his assistant John Whalley, the squad was vastly improved, but the victories seemed hard to come by. One of the biggest highlights of the season was a 2-2 tie with powerhouse Cathedral after the Agawam icemen had been drubbed 17-2 in the first outing. Facing its fifth year in the more demanding Berry Division, the Brownies were expected to progress through the season with success. Senior co-captains Brian Keeley and Mark Faucette led the team not only in spirit but also in scoring ability. Special recognition is also given to seniors Kevin Cook, Paul Dahlke, Dan Denoncourt, Kevin Donovan, Bill Ferguson, Dave Kamyk, Glen Kutzenko, Chuck Marquis, John McNamera, Tim Morrissey, and Dave Trehey for their contributions.

## Girls' Ski Team

Coach Freda Brown was pleased with the size of the 1976 Girls' Ski Team. With only two experienced racers and fifteen rookies, Coach Brown was kept on her toes with demonstrations and instructions. Losing only three seniors, Rose Goyette, Sue Muzzy, and Celeste Gallucci, the future looks bright with fourteen sophomores whose developing skills should boost the next season.

## Boys' Ski Team

The 1976 Boys' Ski Team, taking tips from Coach Richard Joseph, raced through an invigorating season on the slopes of Mt. Tom. The 1976 senior lineup consisted of Tom Cirillo, Rick Curry, Steve Houlihan, Chris Meister, Mike Mutti, and Tom Stapleton. Although their talents predominated many a brisk slalom, the newcomers' enthusiasm for the sport should sustain the team's past achievements next winter.

# FIELD HOCKEY

The 1975 Field Hockey Team under the determined coaching of Freda Brown, had a strong line-up. Coach Brown was aided by Miss Lynn Daniels and Miss Marsha Olson. Agawam's superior defense astounded their opponents, but the team's lack of scoring ability hindered their 1-8-3 record.

Senior varsity players this year included Judy Bozek, Anne Fischer, Anita Fontaine, Celeste Gallucci, Kathy Hayes, Sherry Kurtz, Martha May, Sue Muzzy, and Marisa Vazquez. With some experienced varsity players and upcoming eager J.V. players, the 1976 team will be hard to beat.

# WRESTLING

Due to the return of many finely-honed physiques, the 1975-76 Wrestling Team progressed through the strenuous series of matches with an exciting display of power and skill.

Second year Coach Phil Tomkiel has built the grapplers into top competitors, and the team boasted a winning record throughout the first half of the season. The strength of the team lay in the accomplished middle-weight class. Newcomers in the lightweight and heavy-weight divisions are holding their own against tough opposition to make the squad a solid one. On the roster of senior matmen are Bob Cardwell, Marc Gendron, Chuck Girard, Dale McCarl, Bill Marganti, and Jeff Maynard.

# GYMNASTICS

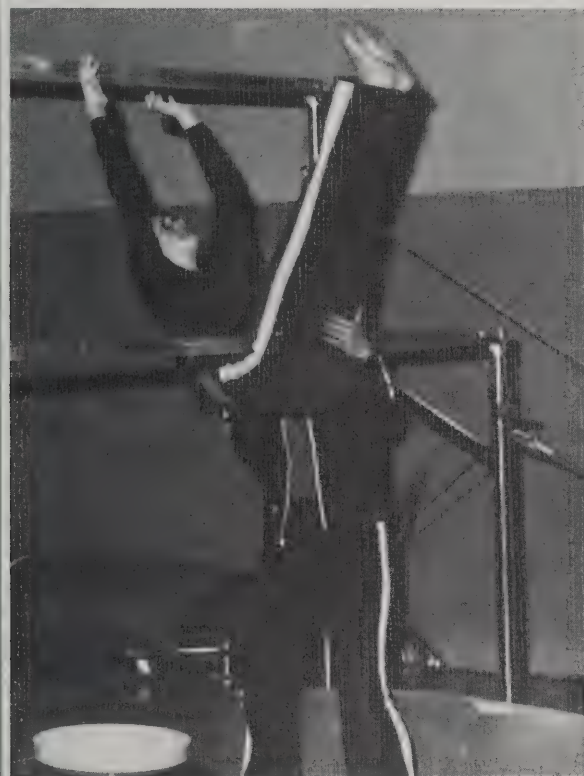

Agawam enlarged its winter sports program this year with the formation of a girls' gymnastic team. The rookie squad, composed of only seven girls, all underclassmen, was supervised by Coach Goldsman and Keith Lawrence. Each member competed on two pieces of equipment and co-captains Maureen Murray and Lisa Roy assisted their teammates in preparing smooth routines.

Despite their limited number and training, Coach Goldsman anticipated a rewarding year for her gymnasts.

The girls participated in only five meets for their first season, but a heavier schedule may be expected next year. With the assurance that seven girls will be returning and the likelihood that the popular sport will attract new talent to the squad, Coach Goldsman may be justly convinced that 1977 will see many advances in the team's motivation and performance.

## FRESHMAN YEAR

It's hard to believe we entered the hollowed halls of Agawam High four years ago. I can remember how nervous I was and how my stomach was in knots that first day. There were so many new faces and new places to see that my head was constantly moving from side to side to see and record as much as possible. Without that map on the first day I would have been completely lost.

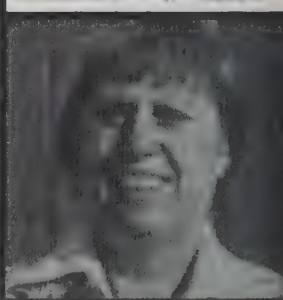

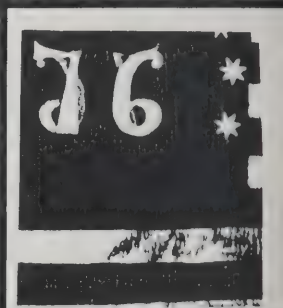

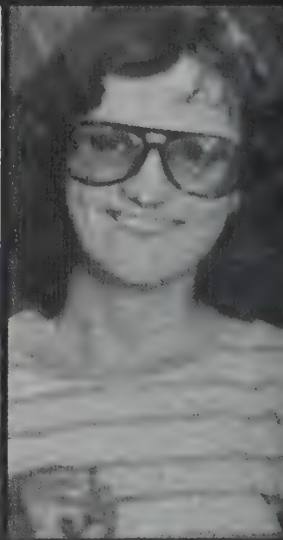

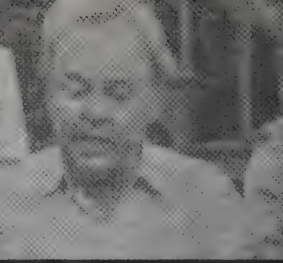

Everything fell into place quickly for our class, however. We began our school business by electing Marc Most president; Maria Preterotti vice president; Caroline Walsh secretary; and Paula Hardina treasurer. The year progressed smoothly as the officers began their duties of collecting dues and planning the year's projects under the direction of Mrs. Pricilla Andrews, class advisor.

Just as the routine of every day school life fell into place, everything was suddenly interrupted. Agawam High School became an honored guest of Senator Ted Kennedy. The whole school sat in the gym overwhelmed with awe. The personal body guards and the press made us feel important to know we were a part of this excitement. Once Mr. Kennedy left we again returned to our everyday routine only to be interrupted again.

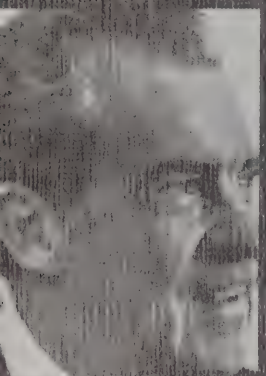

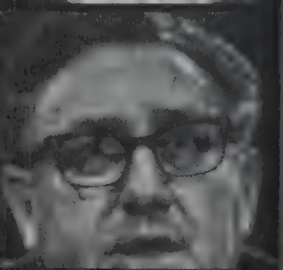

In January we found that the rumors that the freshman class were being shipped out were true. We were being sent to the newly built Junior High where Mr. Paul Tatro was principal. Our class was being completely rejected by the Senior High. Not only had we not been able to attend rallies, but we were non-existent to the yearbook staff.

I remember how resourceful our class was. In order to make amends for this rejection we passed quietly from the halls of A.H.S. and entered our own little world at the Junior High School. From this point on we were in complete power, no longer were we under the upperclassmen's rule. We proved to others, as well as to ourselves, that we had the integrity and stamina to do as much as the upperclassmen. We held our own rally for the freshman basketball team; we wrote our own newspaper and even put out our own yearbook.

Considering all these trivial difficulties the first year revealed, the Class of "76" was on its way to a very powerful and successful future.

## SOPHOMORE YEAR

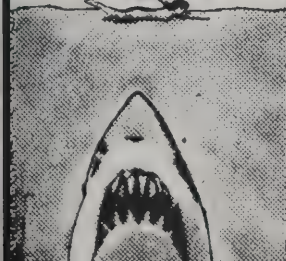

In the fall of 1973 we entered Agawam High for the second time. Faces and places were somewhat familiar, but there was still a feeling of anxiety as we were again the underclassmen. There were no freshmen for us to be superior to. Everywhere we went we were surrounded by upperclassmen. There was no way of escaping the fact that we were the "babies" of the school. The only consolation of being sophomores instead of freshman was that we now had the privilege of attending rallies, which seemed to be fixed by the seniors as they always won the class competitions.

Business of the sophomore year began as we elected Marc Most, Caroline Walsh, and Paula Hardina to their second year in office along with newcomers Patty Liddell as vice-president and Mr. Wayne Morse as class advisor. They were a hard-working and dedicated team of officers who first set forth their talents in their tasks by putting on a concert featuring "Punk." I can remember "Smoke on the Water" being the one song the audience really got into. Our class also sponsored a bake sale that year which helped add to the financial standing of the class.

The year progressed quietly but the excitement began to arise in May when it came time for us to order our class rings. There were many choices to pick from. It was hard to decide between the white gold and yellow gold and the numerous colored stones. But the final decision was made. From that point on, we knew we were well on our way to being upperclassmen.

## JUNIOR YEAR

As our junior year rolled along we were finally able to walk the halls with a feeling of confidence. We were now upperclassmen and we flashed our rings to prove it.

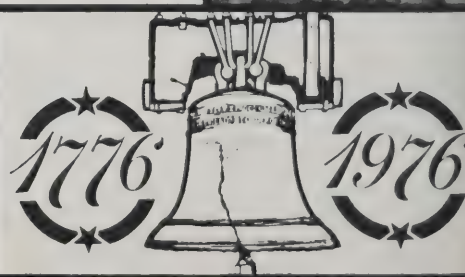

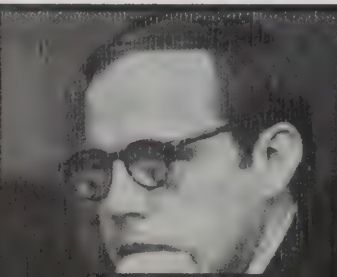

We showed our standing in the school by putting up a fight at the rallies. Even at the West Side rally we were filled with spirit and proved ourselves worthy of the prize for best decorations, but somehow the seniors won again. Not only did spirits fly high at the rally, but they flew the following day at the game. It didn't help, however, as the West Side Terriers overpowered Agawam and sent us home with the first defeat between the two rivals in thirteen years. As we left that game all we could think of was how we would get them back the following year.

In our third year of high school life we selected Laura Tomaszewski president; Maria Preterotti vice president; Caroline Walsh secretary, and Paula Hardina treasurer. These four officers had a busy schedule to fill. They were constantly holding meetings with Mrs. Hamilton, class advisor. First on the agenda for the building of the bank account was the bake sale at the annual Senior-Faculty football game. Other plans from the creative officers included a stationary sale in which half of the stationary ended up in Mrs. Hamilton's spare room. We never seemed to hear the end of that. One activity which did prove successful was the Monte Carlo night, held in conjunction with the sophomore class. Much planning and hard work went into that one night which turned out to be a fun and profitable event. Mr. T. lucked out that year and won the television set which was donated to the class to use as a prize.

The junior class followed the tradition of previous years as they planned and prepared for the Junior-Senior Prom. The prom committee selected "Your Song" as its theme and made May 2nd a night worth remembering for those in attendance. As it came to the end of the year and the graduation of 1975 we, as juniors, realized it was now our turn to assume the special status of being labeled Seniors.

## SENIOR YEAR

Senior year, the one of endless activities, seemed to begin as soon as our junior year was over. Summer passed so fast it was almost as if we were having a couple of weeks off instead of the usual summer vacation.

President Teresa Braica along with vice president Linda Simpson, secretary Caroline Walsh, and treasurer Paula Hardina, started collecting the final year of dues early in the year. For many it wasn't the final year for they hadn't even paid their dues from the three previous years! Paula acted quickly. There were endless announcements and threats of not receiving a free yearbook at the end of the year. She even posted the names of seniors who owed money and placed them in all home rooms. Out of embarrassment and for the sake of attending the Kid Party, which was held in December, many seniors finally paid their dues.

Like magic we started winning the class competitions at the rallies. Even as a senior I couldn't figure out how all of a sudden we began winning. I wonder if it had anything to do with the senior cheerleaders being the judges?

Although the seniors were unable to pull a victory at the Senior-Faculty football game, the varsity squad was able to keep their promise by defeating West Springfield. The overwhelming defeat put pride back into the students of Agawam. The year seemed to be a decent year for the various teams. There may not have been many championships but the records definitely improved from the previous year. Everyone decided it was time to get involved and really put an all out effort into what they were doing.

The ordering of caps and gowns made being seniors a reality. For eleven years we all anticipated our senior year, but it didn't hit us until it came time to be measured for our orange and brown gowns.

Throughout our high school years we held to the general conformity of other classes, but in our senior year we changed our ways and became a "unique" class. Instead of waiting until mock graduation, we presented our school with the gift in January. Our finances enabled us to purchase and install a beautiful clock for the parking lot. This clock proved to be a real help to seniors returning from their Max Ed activities. We also changed the location of our Senior Banquet. It was much better having an atmosphere and a meal different from that of the Prom, and Valle's Steak House seemed like a good place. The fact that this affair at Valle's was almost completely paid by the senior class made it even more appealing.

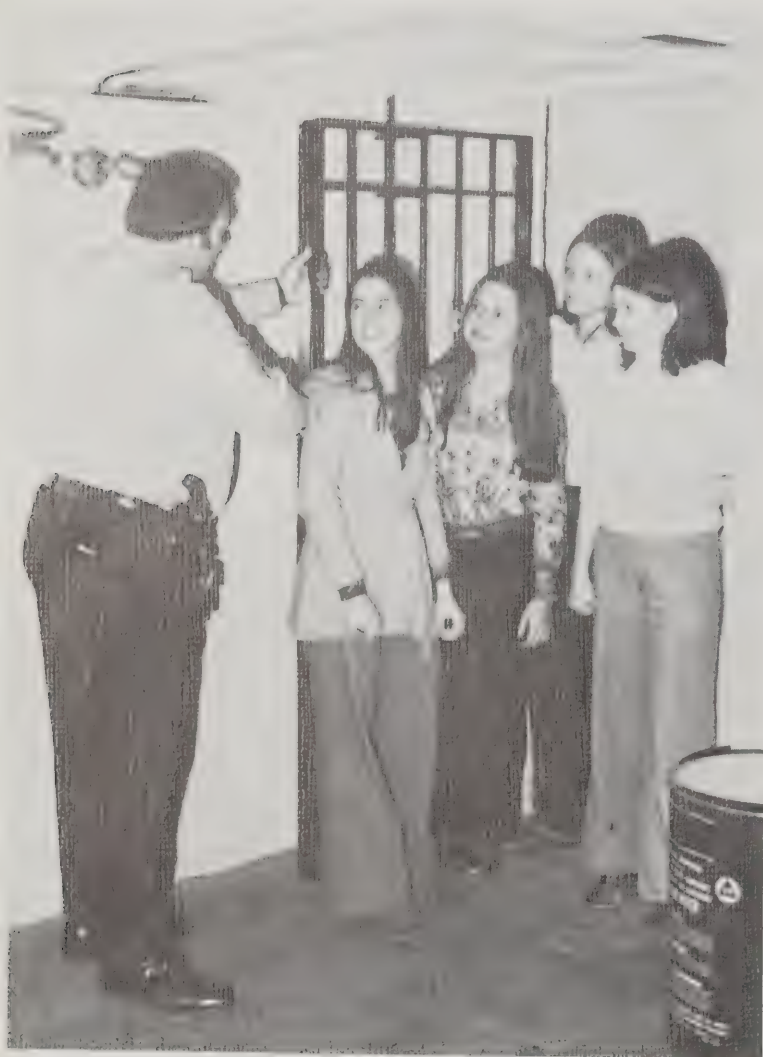

Encountering many trials, tribulations, successes, and failures, we, the Spirited Class of '76, have made it through our 12 years of school. The time has come for us to leave our status as "seniors" and become "freshmen" in the outside world.

★★ LET'S HEAR IT  
FOR AMERICA.★★

The senior class initiated 1976 with a strong start both financially and enthusiastically. The arrival of class shirts enhanced the feelings of class unity and strength. At the annual West Side Rally the seniors not only exhibited vocal harmony but also decorative talent. The Christmas season was highlighted with the Kid Party which instilled a great amount of joviality and merrymaking, as the seniors enjoyed their last chance to revive past childhood memories. The class gift was presented early during the school year, which enabled the privileged seniors to make use of the clock during Max-Ed time. Under the capable leadership of president, Teresa Braica; vice president, Linda Simpson; secretary, Caroline Walsh; treasurer, Paula Hardina; and advisor, Mrs. Evelyn Hamilton, the seniors definitely had a superior year. A great amount of recognition and gratefulness is attributed to these four seniors and advisor, for their time and effort during a hectic '76.

## A Troubled Mind

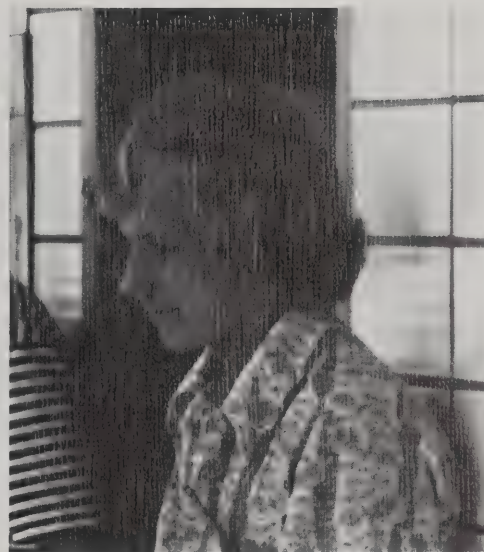

I sit here thinking of death and God  
with a weary mind, and heavy heart,  
I sit and ponder what death has brought.  
A murdered friend, my dying heart,  
I wonder why a friend so close,  
to God I ask this question most.

As I often wonder why,  
tears come frequently to my eyes,  
and now I think, I finally see,  
fearing death is fearing thee.  
O God, how beautiful it must be,  
to meet thee Lord finally,  
To meet my friends and all the rest.  
To meet Jeff, My Lord, and Everlasting Rest.

# YANKEE DOODLE DANDY

Directors Mr. Davis and Mrs. Poulin give the script a last minute rundown.

Mary (Sharon Cusson) and Duke (Brian Turnbull) discuss his West Point plans.

They've got Broadway on their minds.

Practice makes perfect.

Three of the cast review their lines.

The Yankee Doodle cast gets some important pointers.

# SING-OUT '75

The Chorale boys sing out for America.

We're trying for a "clean" election in '76.

The Sing-Out cast blends a medley of patriotic tunes.

Pat Morrisset gives a rendition of "Black is the Color."

Mark and Kirk jam during a rehearsal break.

The Spirit of '76 bugs Mr. I. M. Bigg.

Mrs. Callahan, the Sing-Out director.

Sharon Cusson makes a dedicated campaign speech.

Mr. I. M. Bigg (Mike Marvici) sings "Oh, Beautiful!"

Last minute make-up touches before the show.

Madrigals sing around the camp fire.

Caught with curlers in your hair — shame on you!

# PROM '75

The 1975 Court demanded difficult but pleasant judging.

Your Song — "How wonderful life is . . ."

The music of "Barley" drew winning smiles.

The prom is still a popular and crowded event.

After dinner the night's just begun!

The head table surveys the gala affair.

I think our dates left us.

The last dance for the night.

Prom Queen Joan Brodeur and escort Rick Loncrini.

Romantic music sets the mood for dinner.

Pretty girls are everywhere.

It was a great night to dance.

# KID PARTY DECEMBER '75

"On the good ship lollipop!"

"You're just jealous of my curly hair!"

Good things come in pairs.

Happy, carefree, colorful — Kid Party '76.

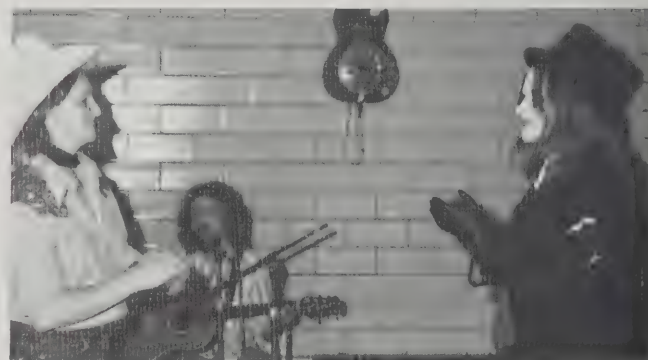

"Peek-a-boo!" . . . "I found you!"

"What are little boys made of . . .?"

"I'd rather play hopscotch, wouldn't you?"

Paula and Mark boogie to Veronesi.

Messing with the Frito Bandito is serious business!

Friends that skip together stick together!

# WINTER OLYMPICS

Here comes the girl from Glad!

Senior Tom Stapleton — champion guzzler.

"Which foot?"

If the shoe fits . . .

A "V" for victory — for the seniors, of course!

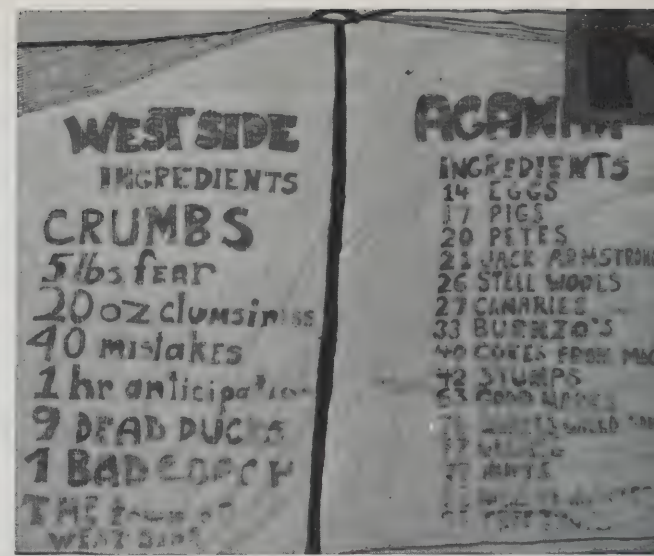

Linda Simpson brings another "breakthrough" to the Sr. team.

# WEST SIDE RALLY

Make way for the Super Brownie!

With this recipe, West Side was in for a good fixin'.

Seniors had high hopes for a Brownie win.

The cheerleaders' spirits were "up in the air."

"What was the song again?"

# MONTE CARLO NIGHT '75

How much for the lady in the middle?

"Step right this way."

Monte Carlo drew a big crowd in its first year.

"I'd like it in small bills please!"

Agawam High students ran the casino.

# SENIOR-FACULTY FOOTBALL GAME

The seniors rush Mr. Ramah.

"Never thought those teachers had it in them."

Blast off!

"You're gaining on him!"

# SOCK HOP '75

I got the music in me!

Let's rock around the clock tonight!

"Let's find the Fonz!"

Those oldies but goodies just keep on playing.

Going back in time is tiring!

# WE HAD LUNCH WITH THE SEA

We, the members of the Sachem Staff, feel that the Class of 1976 is unique in the sense that it is graduating in the bicentennial year. In keeping with this status, we have tried to put together a yearbook that will not only be a book of fond memories but will also show the pride and spirit we all feel for this country.

I feel that a few individual members of the staff, who helped meet deadlines at times when things were rough, deserve special recognition. They are Ellen Grabinski and Marisa Vazquez. I would like to thank Mr. Mike Oestreicher, Taylor Yearbook Representative, Loring Studios, and give very special thanks to Mrs. Arline Buchanan, business advisor; and Mr. David Pulaski. Without his patience and ever-lasting tolerance, this book would not have been able to express the time we have had; our *Seasons in the Sun*\*.
